Where Imagination is the Key to Inspiration!

Welcome to your child's enrichment opportunity! Early childhood enrichment classes provide playful, child-centered environments where children 15 months to 5 years feel comfortable expressing their imaginations and creativity as they explore their world! Start the journey today and open the door to new opportunities for discovery and growth through active participation!

Enrichment Classes

Enrichment Class Descriptions - Session 3

<i>Parent/Child Enrichment Classes</i>	<i>Child Enrichment Classes</i>
<p>Play With Me: Exciting parent/child class with fun-filled activities you and your child can experience together. Enjoy fingerplays, stories, art projects and so much more. Children have the opportunity to play, learn and make new friends, while adults can discuss and share parenting ideas and make new friends as well!</p>	<p>Messy Play: Play is linked to greater creativity and problem solving. In this class we introduce sensory and creative play using sand and water tables, various paint mediums and techniques, playdough and many more "messy" mediums you may not want your child to explore at home!</p>
<p>Parent/Child Yoga Class: This special class is designed for you and your child to bond even closer during which the child's growth and development is stimulated and senses are engaged. Learn and connect with other parents and children through movement and natural curiosity. It's a perfect way to explore the world of yoga with your child. <i>Mats provided—Experience this class at a great introductory price now!</i></p>	<p>Art Enrichment: This class is perfect for the child who loves to create using various art techniques. These unparalleled lessons are fun-filled activities that introduce and stimulate your child's curiosity for art.</p>
<p>Preschool Open House: Plan on attending this informative session to learn about the wonderful classes we provide for children ages 2 1/2, 3 and 4 in our preschool program. Come and experience a little bit of what your child's typical day will be like in our preschool. Once you meet our nurturing and qualified staff, and experience age-appropriate activities, consider signing up for the 2009-2010 school year. Attendees to this session will receive a coupon for a \$25 reduction on first tuition payment!!</p>	<p>All By Myself: This class is designed to give your child the first experience without you in a school setting. Your child can enjoy the playful child-centered classroom where children can play with a variety of creative materials, sing songs and enjoy fingerplays and friendships!</p>
	<p>Preschool Adventures: This class is designed as an added experience for the child already enrolled in a preschool. Enhance your child's preschool experience by having them enjoy additional arts and crafts, P.E. activities, movement, music and many more fun-filled activities.</p>
	<p>Yoga Child Class: Children's yoga is a natural and healthy way to exercise, relax, focus and strengthen the mind, body and spirit. This wonderful class boosts the child's strength, flexibility, concentration and self-esteem. <i>Try it out at a great introductory price!</i></p>
